CHILDREN! DO YOU KNOW ABOUT CORONAVIRUS?

Coronaviruses are a large family of viruses that cause illnesses such as common cold and respiratory problem. In 2020, a new type of coronavirus started making people sick across the world. It is also called COVID-19.

LEARN TO KEEP SAFE FROM CORONAVIRUS

Coronavirus will cause fever, cough and trouble breathing

Visit a doctor immediately if you cough, have fever or difficulty in breathing

Cover your mouth while coughing and sneezing

Don't touch your eyes, nose, and mouth, especially if you haven't washed your hands

Frequently clean your hands with sanitizer and soap

Avoid close contact with someone who has cough and fever

Wear a mask if you have cough and running nose to protect others from infection

People of all age groups can get affected
